The CAF America Friends Fund is an exciting, cost-effective alternative for foreign charitable organizations seeking to improve their support from U.S. donors. Not only does a Friends Fund save organizations money, it also eliminates the time and trouble of establishing and administering a public charity in the United States.

With a Friends Fund at CAF America, foreign organizations can launch and maintain a U.S. fundraising appeal and solicit tax-deductible donations of any size from U.S. donors. Any foreign charitable organization that is eligible with CAF America is welcome to open a Friends Fund. The fund is fully restricted for grantmaking to that specific charity.
